

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example use of the public airwaves for pribvate interest and in an ilegal, partisan manner.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. It is claerly not in the public interest to force stations to air partisan free advertising. Democracy is ill served by this bltant, onsided atempt to influence the American people. Either "Stolen Honor" should be withdrawn or "Going Upriver" shown as balance.

Thank You
